Learning Points

Classified Ad

A classified ad is an advertisement that is put in a newspaper by the seller.

They are put in groups (cars for sale, apartments for rent, help wanted, etc.)

The seller writes a classified ad. They pay for each word, and are often very brief.

They use descriptive language to get the reader's attention.

The Order of Adjectives

When you describe a person, place or thing using more than one adjective, there is an order that you must follow. You use commas (,) between each adjective.

Look at the chart:

Opinion	Size	Shape	Age	Color	Origin	Material
pretty	little		old		Spanish	
lovely		rectangular		red		glass

Examples:

- *I love that pretty, little, old, Spanish chair.*
- *Vanessa thinks that lovely, rectangular, red, glass vase would look great in her new apartment.*
